

# Dufur Visioning: How do we get there?

## We need your help to update Dufur's 10-year vision: *How are we doing and how to get there?*

The Dufur community has started the update to Dufur's 2016 Community Vision and Action Plan with a community survey and meeting in November where community members, students, businesses and organizations came together to give input on the vision and goals for what they want Dufur to be in the future. This vision will help guide development, community focus, and investments in the coming years, as well as provide a reference for outside funders supporting Dufur.

Our second community meeting will focus on defining the actions we need to take as a community and in cooperation with our partners, to move toward that vision. **Please join us at the Dufur School for a meal starting at 5:30 pm followed by the meeting at 6:00 pm.**

### Ways you can be heard:

Fill out survey with QR code to right or at [bit.ly/dufurvision](http://bit.ly/dufurvision)

Attend the meeting January 31st at 6:00 pm at Dufur School, dinner provided starting at 5:30 pm
